

# What you get with your membership at Demsoc

*Demsoc is a membership organisation that values its members, and the diversity, experience and passion that they bring. Providing a membership for Demsoc is our way of bringing people together, to share experiences and to enable discussion and inspiration. It's a way of helping build the wider democratic infrastructure we are trying to build in Europe and beyond.*

## Who is it for?

We are looking for a diverse group of democracy enthusiasts reflecting our values and passion for fair democracy, as well as those may be new to the topic and want to gain expertise, reflecting our diversity at Demsoc. Or be passionate professionals working in the sector that want to network and hear what's happening at Demsoc. There are also opportunities to work with us on joint field-building activities and peer learning sessions.
